#### ENVOY ASSAILS BRYAN. Henry Lane Wilson Accuses Secretary of Partisan Zeal.

lasting three days which she encountered SPOKANE, Wash., Oct. 20.-Henry Lane Wilson gave out to-night a letter written by him to Secretary Bryan at the time of the recall of the former envoy to Mexico. Mr. Wilson accuses the Secretary of State of discrediting him through pique. The passengers on the Majestic, headed by Harold F. McCormick, W. N. McMillan and S. A. Gard, raised a fund of \$300 for The letter follows:

"I have the honor to acknowledge the receiptof your note of August 14, transmitting a copy of a telegraphic instruction of the Department of State to the American Ambassador in London, directing him to disclaim all responsibility on the part of this Government for an interview attributed to me.

"The closing paragraph of the instruction referred to says that "the President regrets exceedingly that a diplomatic offi al of this Government should have been guilty of such an impropriety."
"The last paragraph of your note to

says that 'the President does not go further at this time because he takes it for granted that the action which he has been obliged to take in this matter will be to you a sufficient reminder of your official obligations."

The former envoy reviews the circum-

stances leading up to the instruction to the Ambassador in London. A London despatch was published in this country on August 11 saying that one of the factors August 11 saying that one of the lactors determining British recognition of the Mexico provisional Government was the "congratulatory speech of the American Ambassador on the occasion of Huerta's reception to the diplomatic corps."

Wilson says he did not believe this come from an official British source and

Wilson says he did not believe this came from an official British source, and had decided to maintain an attitude of reserve, until, in the next two days, he read in the press articles "evidently inspired from Administration sources containing expression of gratification over the supposed propitiatory legislation" of the British Government.

"It seemed apparent to me that this was the first evidence of your intention to publicly question my official acts," he continues, "and I accordingly gave to the press the interview referred to."

The former envoy asserts that the interview referred to could not possibly be rview referred to could not possibly be
